To our entire Davies HS Community:

Let me begin by thanking each family for your patience and support as our school district has responded to the total impact of the COVID-19 pandemic. The past few months have been interesting to say the very least. With your continued patience, positive support, and partnership I am confident that together we can kick off this school year in a successful manner where we all can look back on this time with confidence in how we were able to SMART Restart our 2020-21 school year.

With that being said, the

First day of school is Wednesday, September 2nd beginning at 8:45 am.

Our office staff is working hard in preparation for another successful school year. Each year we get the opportunity to build upon the prior year's successes and make the appropriate changes where needed for our future. The excitement and energy students will bring as they walk into our building for another year can also be found in all of our staff here at Davies. We will continue to work within the guidelines provided in the Fargo Public Schools SMART Restart plan approved from our School Board.

Davies High School's motto of "Honor, Integrity, and the Pursuit of Excellence" will continue to be at the forefront as we build upon the existing foundation that has been created by our students, faculty, and staff. Our school environment and culture will continue to be positive and one that our community, students, and staff can be very proud of. We will encourage our students to "Work Hard, Be yourself, and Do the right thing!" Our academic standards will be challenging. We will continue to motivate our students to reach for excellence as they prepare for their individual future endeavors. Our school will focus on preparing our students for their future and not our past.

This coming fall our building will be home to a little over 1300 students, so *together as a partnership*, we have a large task in front of us. We need to encourage and support our young people to get involved and do it in a safe manner that fits within our SMART Restart Guidelines. When they become involved at school, it gets them connected, builds their confidence, and gives them the ability to grow in their individual development

Please be sure to complete the necessary forms, pay any fees, and register your child for the coming school year.

A reminder that all of the Fargo Public Schools' registrations are now on-line. If you haven't done so, you will need to complete that on-line registration for your student(s). This is a requirement of ALL students, not just our new families.

ADDRESS CHANGES

Address changes, like registration, can now be done ON-LINE. You will see the same format you used for registration in previous years by going into PowerSchool to access the forms, just follow the tutorial.

You may change your address, telephone number, pay your student's fees or update contact information etc. all ON-LINE

ONLINE REGISTRATION

Starting August 1, parents/guardians of all Fargo Public Schools students have been able to complete their children's annual registration forms and make fee payments online. Access to these online forms and fee payments will be through the Fargo Schools PowerSchool site.

In addition to online registration forms, PowerSchool gives parents access to their child's attendance records and lunch account balance, and access to their middle and high school child's daily assignments and current grades.

Please complete this PowerSchool process NOW to ensure your student has the necessary forms completed to begin the school year. SchoolPay fee payments and verify all the family information for your child or children. **Go to <https://fargo.ps.state.nd.us/public/> PowerSchool link and follow the directions at the top.**

Families who do not have PowerSchool set up and registration forms completed prior to their child's back-to-school orientation session in August will be asked to do so at the school during orientation. *Middle and high school students will not receive their class schedule and/or school-issued laptop until a parent PowerSchool account is set up and registration forms have been completed.*

If you do not have access to the internet at home, you may access the internet via computer kiosks available at your child's school during open summer hours. You are strongly encouraged to call the school office prior to stopping in to verify that the building is open. Davies office telephone # is 446-5600.

ORIENTATION

Orientation: Due to COVID-19, we will be doing things differently than in past years. Remember the first day of school is September 2. All forms can be completed online as well as all payments.

Freshman Orientation:

We would like to invite you and your student to attend an orientation session August 27th and 28th.

Due to COVID-19, we will have the following guidelines put in place:

- *Masks will be REQUIRED*
- *You MUST attend your assigned session if you would like to attend Orientation.*
- *Only ONE parent/guardian will be allowed to attend with their student; no additional family members will be allowed.*

During your assigned orientation session, you should first report to the assigned orientation space for a brief information session with an administrator and counselor. After that, you will be able to pick up your student's PLD, **have your picture taken**, and take a self-guided tour. A letter is included in your packet for your freshman student with your assigned times.

Grades 10-12 Orientation:

In the past we have held orientation for grades 10-12 to pick up their PLD's, take student pictures, and get their schedules. Due to COVID-19, we will be doing things differently.

- **Schedules** are being mailed out with this newsletter. There is link to an online schedule change form. Please see the packet for details.
- **Pictures:** We will not be doing pictures for upper classmen at this time. When the time comes during the school year where we can safely have students back in class everyday (Level 4 or 5), we will arrange with Scherlings photography to come and allow upper classmen to take their school picture.
- **ID cards** will be delivered to the student's period 2 class on the first day of school. Freshman will have the picture taken at orientation. All other students will use last years pictures on their new ID's. Again, if we are able to bring Scherlings later in the school year we will update the ID cards as well.
- **PLD's:** We will deliver your student's PLD to his/her period 1 class on the first day of school for pick up.

LUNCH PROGRAM

You may now pay for your school lunches online, through School Pay, just as you paid for them at registration. Following the same procedure by clicking on this icon at the Davies website or the FPS website.

Using this program, you can see the dollar amounts you have put into your student's lunch account as well as how much is used each day, and there are **NO transaction fees**.

Breakfast \$1.55

Lunch \$2.70

Breakfast will be served from 7:15 – 10:30 am.

Students will be assigned to one of three lunch runs.

Lunch #1: 11:15 – 11:35

Lunch #2: 12:05 – 12:25

Lunch #3: 12:55 – 1:15

REPORTING ABSENCES

If your student is going to be absent because of an illness, out of town, appointment, etc., please call the Attendance Secretaries, Kim Martin (A-J) at 446-5611 or Tabitha Jahnke (K-Z) at 446-5610. If you call in advance you do not need to send a note with your student. If your student has an appointment, please call or send a note with your student **prior** to the appointment. In doing so, your student may pick up a slip from the attendance office and be excused from class without interrupting the class. Also, please have your student bring a note **from the medical institution** as verification of the appointment.

TELEPHONE CALLS

With over 1300 students in our building it is impossible for us to take messages that are not emergencies for students from parents. Interrupting a class to deliver a message or to call a student out of class takes instruction time away from the rest of the students. Please remind your student of appointments, rides etc. before they leave for school. Your cooperation is greatly appreciated.

★REPORT CARDS★

Fargo Public Schools is now storing report cards in PowerSchool for students and parents to view or print and will no longer be mailing the report card. These electronic records have the same effect as the original record according to the ND School record retention law.

There are numerous advantages to storing report cards in PowerSchool over a traditional copy. The electronic version is secure and confidential, easily accessed and shared, environmentally friendly, can continually be updated, and is permanently archived.

1. **Secure and confidential:** PowerSchool security ensures confidential access by assigned role. Parents and guardians can only see their students' records. Teachers can only see the students assigned to their class rosters.
2. **Easily accessible:** Students, parents, and approved staff will be able to view report cards starting the Fall 2019.
3. **Go Green:** Over the course of the next year, Fargo Public Schools will move to notify parents and students to log into Power School to view/print, organize, and distribute the reports to students and save a significant amount of paper per grading term.

WHAT'S COOKING IN THE DAVIES KITCHEN.....

When I was preparing to write this article for the Davies Newsletter, I was hoping that I would have some information to share with you on what the Davies kitchen would look like for this upcoming school year. As of today, I do not know what is in store for us. However, I do know whatever comes our way the Davies kitchen staff is here to help.

Last March when school shut down the Davies kitchen staff alongside with other FPS Nutrition Staff stepped up to the plate and worked countless hours preparing meals to help feed the kids in our community. From when school shut down in March through Tuesday, July 21st FPS Nutrition Services has distributed 293,533 meals to kids in our communities. WOW!

As we start to prepare for what the beginning of our school year looks like I hope you'll continue to support the FPS Nutrition Service program by joining us for breakfast and lunch whether it be in school or by pick up if that is what is needed. Thank you for your continued support.

CELL PHONES AND ELECTRONIC DEVICES

Students can use cell phones and electronic devices **BUT ONLY** in the commons, hallways, and locker bays. Upon entering the library or a classroom, all cell phones and all non-school issued electronic devices will be put away unless they are deemed to be educationally appropriate by the classroom teacher. If a student is asked to turn their cell phone over after being found to be in violation they must comply. Consequences/protocol will include the following:

First violation – The device will be confiscated by the teacher and returned at the end of the class period, communication with the parent regarding the incident, communicate with student to reset expectations, and submit a log entry.

Second violation – The device will be confiscated by the teacher and given to the office and submit a log entry. Administration will visit with the student and communicate with parents about future violations. Device will be returned at the end of the school day.

Third violation – Device will be confiscated by the teacher and given to the office and submit a log entry. At this point a parent will be required to pick up the phone in the office and student will face possible suspension from school.

Messages and photos on a cell phone are subject to viewing by administration given reasonable suspicion of a crime and/or school infraction. In the event a student must use an electronic paging device for health reasons, the student and his/her parents must petition the administration for such use.

PARKING PASSES

As of August 10, we are not doing parking passes for the students until things settle down. If you have already purchased a parking pass a refund will be processed to your credit card.

Yearbook Senior Portrait Requirements

Every graduating senior is allowed to submit a portrait photo to be used as their picture in the Davies Yearbook. This photo must follow the guidelines and rules from school policy, dress code, and law. Not following these guidelines will result in the photo not being allowed in the yearbook and the student will be asked to submit a different photo.

1. Subjects including promoting the use of drugs, alcohol, tobacco, drug paraphernalia, guns, weapons, or depiction of violence may not be worn or shown in the photo.
2. Photos with accessories (i.e. hats, scarves, jewelry), props (i.e. sports equipment, musical instruments, cars), and domesticated pets are allowed as long as they do not promote or condone illegal activity.
3. The subject of the photo should be the student, not the props or background. (Yearbook staff prefers head and shoulder photos.)

Photos may be edited or not published if they represent or include any of the following:

- Violating school policies and behavior codes
- Displays of drugs, tobacco, alcohol, gambling, or weapons of any kind
- Inappropriate gestures, facial expressions, postures, or hand gestures
- Revealing, suggestive, or obscene clothing

All photos submitted must conform to school standards and policies and if needed, may be subject to review or approval by, but not limited to the yearbook staff, the yearbook advisor, and the school administration.

Digital Photo Requirements:

All photos must be at 300 dpi in resolution and at least 1.5 by 2 inches in size. Pictures need to be saved as a JPG file. Photos files must be named with the senior's legal last name and then the legal first name (ex: Smith_William.jpg)

ADVANCED PLACEMENT (AP) EXAM INFORMATION FOR 2020-2021

Similar to last year, College Board has set an early / fall deadline for exams being taken in May 2021. **Registration will occur from October 5th - 30th** for students who plan to take exams for classes that are full-year and / or semester 1. Classes that are semester 2 only will have exam registration in February 2021. We will again utilize payments through Total Registration.

SENIOR TEST EXEMPTION POLICY

Any senior high student who has met the following criteria shall be exempt from the requirement of taking a second semester final in each of the classes in which the following requirements are met.

1. Senior students are only eligible for **semester one** test exemptions in courses which end semester one and do not have a second semester associated with it. (for example: Gov, Econ, PE) The requirements below also apply.
2. At least a “C” average for the final semester grade in the class.
3. Two or fewer **excused** absences per class
4. Two or fewer tardies in the class.
5. School related activity absences will not count against the student.
6. Attendance at funerals will NOT count against the student.
7. No college visits during second semester are allowed, **except** when that visit is **REQUIRED** by the colleges and the visit must be verified by providing written correspondence from the school to the attendance office.
8. Automatically disqualified if suspended from school (OSS).

IMMUNIZATION UPDATE: GRADES 11 AND 12

For the school year 2020-2021, a second dose of meningococcal conjugate vaccine (MCV4) is required for students entering eleventh or twelfth grade. This means your student will need proof of **two** doses of MCV4 before returning to school in the fall. This rule went into effect for the school year 2018-2019, so many of the seniors (Class of 2021) should have already received this vaccine last year.

Ideally, children should receive one dose of MCV4 when they are eleven to twelve years old and a booster dose on or after their sixteenth birthday. Please schedule with your child's health care provider or your local public health. Please have your child receive this booster **prior to the start** of the school year. Also, remember to bring in proof of the immunization documentation to the school.

MEDICATION IN SCHOOL

The school nurse will be available daily during the hours of **8:45 am – 2:45 pm** to provide essential health related services such as assessing health problems, interventions with health concerns, assisting in emergency care plans for identified students, reviewing students' immunizations, dispensing medications, assisting in health-related programs in schools, and providing advice on health-related issues.

Any medication the student may require during school hours needs to have a consent form signed by the student's parent/legal guardian on file with the school nurse. The forms allowing the school nurse to give you student OTC (over the

counter) medications are on-line. Simply identify any or all the OTC choices (Tylenol, Ibuprofen or Tums) and initial the box indicating consent. The school will provide a limited supply of these 3 OTC medications. If your student requires more than 5 doses of the OTC medications during that school year, we ask the student to bring their own supply to keep in the nurse's office. Any other type of OTC medication such as cough medicine, allergy or cold/flu medicine also can be administered in school as long as the parent/guardian has sent a statement of use with signed consent, a supply of the medication in the original package, and understanding that the medication will only be administered as directed on the label.

If your student needs medication prescribed by a doctor, then the school nurse must have a copy of **Form AF6720*** completed. This form **must** be completed by both the physician and the parent prior to administration of the medication at school. In order to dispense **ANY** prescription medications by the school nurse or associated staff the following **must be in place prior to administering** said medication:

- Student's name on the bottle
- Specific time of administration
- Dosage
- Physician's name
- Medication container and label must match the physician's order. Ask your pharmacist to give you a secondary school bottle so a supply can be kept both at home and at school in the proper container.
- No more than a month's supply should be brought to the school.
- Parent/Guardian is responsible to replenish medication.
- Unused portions of medications must be picked up at the end of the school year or when the medication is no longer needed. If medication supply is left at school, then the school nurse will destroy said supply according to policy.
- **ANY changes in medication will require a new form (AF6720) completed with the current changes identified. A new prescription bottle will be required within 30 days of said change.**
- Please have your pharmacist split the medication if the dosage is required to have the medication split in half or quartered.

The medication policy as well as any needed forms can be found on the Fargo Public School website under the tab for Parents. Parents may substitute the AF6720 form with a copy of the prescription written by the physician along with written permission to administer said medication by the parent/guardian. If you have any questions, feel free to contact the school nurse at 446-5621.

LOCKERS

Lockers will be equipped with a combination padlock loaned by the school. Lockers should be kept locked and combinations not shared with other students. **Lost or stolen** locks will be paid for by the student. The charge for a lost lock is \$5.00. Students are responsible for books and personal possessions at all times. **STUDENTS ARE ADVISED TO LEAVE VALUABLES AT HOME.** Any graffiti appearing on the outside or inside of the locker is considered vandalism and will be the responsibility of the student. School administrators reserve the right to search lockers, but only when it is reasonable to suspect that the locker contains items or articles which may constitute a hazard or contains property that

does not belong to the student.

Gym lockers and locks are available to students enrolled in physical education classes. All items placed in the locker room during class **must** be placed in a locked locker to ensure items are not stolen. Students **must** refrain from placing personal items of value in gym lockers. The school will NOT be responsible for the loss of unsecured items. It is the student's responsibility to ensure all personal items are properly secured when left in the locker room areas. Lost locks are again the responsibility of the student and a \$5 fee will be assessed for a lost lock.

LOST AND FOUND

We would ask parents to encourage their students not to bring expensive electronic devices (iPods, MP3 players, expensive cell phones etc.) to school. School lockers are not secure places for storing such items. The following policy applies to lost and found property:

It shall be the procedure at Davies High School to take reasonable steps to return lost/found property to its rightful owner. Property will consist of any item that may hold value to the owner, sentimental or monetary.

Students and staff shall turn in any property that a reasonable person would consider misplaced or abandoned to the main school office. The property will remain in the office until such time that the rightful owner identifies and claims the property. Items that go unclaimed will be donated to local thrift stores.

Person's finding items of value that are found and not returned to the owner or school staff member may have consequences, and or criminal charges of possession of lost or mislaid items (NDCC12.1-23-02). Students in possession of items that are intentionally taken without the consent of the rightful owner will be cited by the authorities for possession of lost or mislaid items by the school resource officer. In addition, a student who has stolen property from another student or teacher will be suspended out of school for a period of three or more days.

The school cannot guarantee the security of school lockers and/or miss-placed backpacks. Lockers should be used to hold basic school supplies, books, jackets, and coats only.

'EAGLE LANDING' – SCHOOL STORE

The Eagle Landing will have a large assortment of Eagle gear for sale during orientation and during the school day. We ordered the same quantities as we have in the past so we are excited to be the premiere Davies Eagle clothing provider!

DAVIES 2020 SENIORS

DAVIES STUDENTS EARN SEALS OF BILITERACY FOR PROFICIENCY IN WORLD LANGUAGES

This July, 27 Davies High School seniors and 1 junior received the North Dakota Seal of Biliteracy (NDSB), a physical foil seal, on their high school diploma recognizing various proficiencies in world languages, a certificate from the State Superintendent of Public Instruction, and an identifier on the student's eTranscript.

Implemented by the North Dakota Department of Public Instruction (NDDPI), and adopted by the state of North Dakota in 2019, the NDSB is an award presented to graduating students who have demonstrated proficiency in a language in addition to English. Proficiency is assessed by an outside evaluator using the ACTFL Assessment of Performance toward Proficiency in Languages (AAPPL) for French, German, and Spanish and the ACTFL Latin Interpretive Reading Assessment (ALIRA) for Latin. Gold Seals of Biliteracy are awarded when students are rated at the Intermediate High Level, and Silver Seals of Biliteracy are awarded when students are rated at the Intermediate Low Level.

This year's students had to work even harder to earn their seals due to the spring COVID-19 stay-at-home orders, completing their preparation during the final weeks of school and the qualifying assessment at home on their own during the week leading up to graduation. The whole Davies World Language department commends them for their persistence and effort. We are proud of them for a job very well done.

Seniors who will receive the Seal of Bi literacy:

French gold: Hannah Kahn, Hannah Olson, and Forrest Weintraub.

French silver: Abigail Berg, Koate Deebom, Alyssa Gierke, Pleasure Jerue, Ian Komorowski, Sarah Ramstad, Clarissa Satrom, Elijah Satrom, and Ciara Tomanek,

Spanish gold: Emily Dunlap, Greta Ivesdal, Joanna Lin

Spanish silver: Gracie Boyd, Makenzi Johnson, Nashat Khan, Zachary Kluvers, Payton Lane, Tori Larson, Akshay Monick, Samuel Moser, Alonna Narum, Erica Peters, Marvin Tian

Latin gold: Mark Rohleder

Davies junior, Jada Bell, a student of Level IV Spanish, also completed the requirements to earn a NDSB Silver Seal which will be awarded to her upon graduation in 2021.

The NDSB was established to recognize students and provide an identifier of this accomplishment for employers and post-secondary institutions. The NDSB serves to inspire the implementation of biliteracy programs and pathways of language development in districts across the state and help districts demonstrate value in diversity/culture. North Dakota is the 36th state to adopt this award. For more information, [visit the website](#).

Students who earned the ND State Seal also qualified for the Global Seal of Biliteracy, a document that enables recipients to showcase their language skills to any school or employer across state lines and national borders.

Davies students at the Advanced Low Level qualified for the Global Seal of "Working Fluency." Students at the Intermediate Mid-Level qualified for the Global Seal of "Functional Fluency."

Students who will receive the Global Seal of Biliteracy:

“Working Fluency”: **Spanish:** Greta Ivesdal

“Functional Fluency”: **French:** Alyssa Gierke, Hannah Kahn, Ian Komorowski, Hannah Olson, Sarah Ramstad, Clarissa Satrom, Elijah Satrom and Forrest Weintraub

Spanish: Gracie Boyd, Emily Dunlap, Greta Ivesdal, Makenzi Johnson, Zachary Kluvers, Payton Lane, Joanna Lin, Samuel Moser, Alonna Narum, Erica Peters, Marvin Tian

PaY

Philanthropy and Youth (PaY) is a program of The Barry Foundation designed to introduce students to inspire others, to lead in new ways, and to share their skills and talents with the community through philanthropic endeavors. The program will give students a unique, hands-on experience working as a team and with local nonprofit organizations.

The program begins by forming a PaY committee. Each committee has \$5,000 to distribute to nonprofit organizations of their choice. However, this isn't as easy as it sounds. First, the students must discuss their areas of grant-making focus and determine the goals of the committee. Then students research nonprofit organizations that meet their criteria and learn more about what they do by going on site visits and interviewing people who work there.

With input from each committee member, the group decides which nonprofit organizations will receive grants, how much money each will receive, and how that money will be spent-with no more than \$1,000 going to any one organization. Students will then submit their grant recommendations to the Board of the Barry Foundation for final approval and present it to a board of community leaders.

Through PaY students will gain skills that will last a lifetime and learn about some amazing people and organizations that are doing powerful work to make our community better. It will also give students a chance to make a real difference in the world around us.

MUSIC

Dear Davies Orchestra students,

This is going to be a great year in orchestra! Despite everything going on in the world we all need music now more than ever. Being creative is one of the best things we can do when faced with adversity and while sometimes it's hard to find a spark in times like this, it's so important for us to remind ourselves that music provides us with connection. Connection to our past, connection to those around us, and through a screen. Music brings people together even when we must stay apart. No matter what this year holds for us we will make the best with what we have, and, when it is safe, music will be how we celebrate overcoming these difficulties. Looking forward to seeing all of you (whether through a screen or behind my mask).

Sincerely,
Mrs. Lang

An **ADULT ACTIVITY PASS** is available for \$75.00 for the school year. The student activity passes, and the adult passes are NOT valid for special events or tournaments.

REQUIREMENTS TO PARTICIPATE IN SCHOOL SPONSORED / SANCTIONED ATHLETICS

The North Dakota legislature approved a law, NDCC 15.1-18.2, that requires school districts to implement a concussion management program. The Fargo Public Schools have been actively promoting concussion management for several years through in-service training to athletic staff, establishing protocols for treatment of concussion injuries and requiring student athletes to participate in the ImPACT testing programming. However, the recent law requires all school districts to provide concussion information to student athletes and parents. The law further requires school districts to document that student athletes and parents have viewed the information before students will be allowed to participate.

In order to comply with the law all students' grades 6-12 participating in school sponsored or sanctioned athletic activities are required to read the concussion information and sign a form that states they have read the information. The signed form **must be returned to the coach or building athletic trainer** before the first practice session. No student will be allowed to participate in Fargo Public Schools sponsored/sanctioned athletics without the concussion information signed form. The concussion information booklet and the documentation form can be accessed on the Fargo Public Schools website under the Student Activities "Concussion Information" or you may pick up the information and signature form at your school office.

A reminder that all athletes have four requirements to participate (and practice):

- **A current medical form dated on or after April 15, 2019.**
- A signed concussion information form
- Attend parent/student meeting and sign co-curricular card
- Pay participation fee - \$50/Activity

ATTENDANCE GUIDELINES

The School Board (Policy #6220) recognizes that regular attendance is necessary to achieve consistent educational progress. In addition, North Dakota state law requires all children between the ages of seven and sixteen to be in attendance every day school is in session, with exceptions for illness and certain other incapacities. Class attendance is imperative for students to achieve consistent educational progress. The Fargo Public School’s senior high attendance regulations are based on the premise that full participation in class activities is very important in the total learning process.

Students will be excused for the absences listed below if the parent/guardian calls the attendance secretary **prior** to the absence **or** sends a note **or** a doctor’s excuse. The attendance secretaries may be reached at 446-5611 (A-K) or 446-5610 (L-Z). Students leaving for appointments during the school day are required to check out with the attendance secretaries prior to their departure and **check in** when they return. Arrangements for make-up work will be made directly with the teachers of classes that have been missed.

EXCUSED ABSENCES INCLUDE

1. Personal illness
2. Death or illness in the family
4. Weddings of relatives
5. Participation in wedding celebrations
6. Family emergencies
7. School sponsored activities
8. Church activities as approved by school
11. Administrator
12. Trips requested by parents and approved by the school Administrator.
13. Funerals of family, relatives or friends
14. Required court appearances
15. Medical and dental appointments

UNEXCUSED ABSENCES INCLUDE

1. Truancy is defined as being absent from one or more classes without the consent of parent/guardians and/or school officials. Truancy is also defined by behaviors such as failure to report to the office after being sent, leaving class without a teacher’s permission, abuse of pass usage, failure to leave school after checking out with the attendance office, and failure to go to class upon returning to school.
2. Oversleeping.
3. Transportation problems.
4. Removal from class for disciplinary reasons (administration ordered suspension will not count as an unexcused absence).
5. Unverified appointments.
6. Failure to check out with the attendance office when leaving school for an appointment.

TARDY POLICY

Students are expected to be in class on time. The following procedures will be followed:

1. Any three (3) tardies/lates in a single class will equal an unexcused absence.
2. Any student arriving more than 10 minutes late for class will have their tardy marked as LATE.
3. At two trancies or the accumulation of six (6) tardies/lates in a semester, the student may be put on a formal attendance review. The attendance review document will outline attendance expectations going forward and disciplinary action if attendance issues continue.

TEN ABSENCE LIMIT

Students are limited to ten absences in any class per semester. These absences DO include illness, parental requests, trips, college visits, appointments, and unexcused absences. The limit of ten DOES NOT include school activities or funerals. After a student reaches a limit of ten absences in a class, the student is required to bring a note from a physician stating that he/she is too ill to attend school. Any student surpassing the limit will be in jeopardy of losing credit. Principals can grant exceptions to the policy for extenuating circumstances.

UNEXCUSED ABSENCE CONSEQUENCES

Any student who has two or more unexcused absences will be notified of pending loss of credit if another unexcused absence occurs. Three or more unexcused absences may result in being drop/failed from the class. Parents will be notified by phone or mail. Schoolwork missed during an unexcused absence cannot be made up for credit.

MAKE-UP WORK

Arranging for make-up work is the responsibility of the student. Academic work will take precedence over any extra-curricular activity and must be completed within the specified time, unless other arrangements are made with the teacher. If make-up of homework is required prior to an out of town trip or event, the student must comply.

DETENTION

A detention will be assigned for each period of truancy and for every third tardy. Detention will be held on Wednesday 8:00 – 8:45 am and 3:00 – 3:45 pm, Tuesday and Thursday 3:50-4:45, and Saturdays from 9:00 – 12:00 am. Students who have assigned detentions may NOT participate in selected school sponsored functions until detentions are served.

DISTRICT INFORMATION

NON-TITLE ONE SCHOOLS

The No Child Left Behind act requires teachers and para-educators to be “highly qualified” as defined by each state. In addition, the law requires that parents be informed about such qualifications. According to the definition currently in effect in the state of North Dakota, all such employees of Fargo Public School District Number One meet this definition.

Although our school is not a designated Title I school, parents have the right to request information on the professional qualifications of the teachers and para-educators at our school. If you are interested in learning this information, please contact Dr. Robert Grosz, Assistant Superintendent of Teaching & Learning, at 446-1073, or Troy Cody, Principal at Davies HS. Upon request, you will receive a detailed explanation of the licensing, education, and experience of each of our teachers and the qualifications of the para-educators at our school.

THE FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)

FERPA is a Federal law that protects the privacy of student education records. The purposes of FERPA are twofold: to ensure that parents have access to their children's educational records and to protect the privacy rights of parents and children by limiting access to these records without parental consent. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level.

FERPA deals with:

- Access to educational records
- Parental right to inspect and review records within 45 days of request
- Amendment of records
- Consent to disclosure of information

Guidelines:

- A written request addressed to the school principal for inspection and review records is required from parents or eligible students. Appropriate arrangements will be made for review and inspection.
- A written request with details for amendments is required from parents or eligible students to amend a record they believe is misleading or inaccurate. Approval or rejection of request will be notified to parents or eligible students by the District.
- Parents or eligible students have the right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests.

- School official is a person employed by the District as an administrator, supervisor, instructor, or support staff member including health or medical staff and law enforcement unit personnel from the City of Fargo Police Department; a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney, auditor, medical consultant, insurance carrier, transportation services or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in or to fulfill his or her professional responsibility.
- The District may also disclose directory information including a student's and parents name address, telephone number, date of birth, grade level attained, participation in officially recognized activities and sports, photographs and video, honor and award, height and weight in athletic programs. If the parent does not want directory information released, they must contact the school where the student attends within two weeks of the start of the new school year.

PTSA

Senior Party Kick-Off Meeting

There will be a kick-off meeting on Tuesday, September 15th at 7pm. This meeting will establish whether there are enough parent volunteers interested in order to have the Senior Party for the Class of 2021. If not, the funds will be turned over to the PTSA to be used elsewhere. We will review what was done for the Senior Party for the past 2 years. If you would like to attend the meeting in person, it will be held in Room H101 at Davies. If you are interested in helping plan the party, but not available on September 15th, please send an email to DaviesSPP@gmail.com. If you would like to attend the meeting remotely (via computer or phone), the link is:

<https://global.gotomeeting.com/join/393613549>

If dialing in using your phone, the phone number is:

1-872-240-3412

Access Code: 393-613-549

New to GoToMeeting? Get the app now and be ready when your first meeting starts:

<https://global.gotomeeting.com/install/393613549>

If there are enough parent volunteers, then there will also be a student meeting in the fall to form a student committee to assist with the planning and decisions.

Thank you in advance to those who are willing to make this a great celebration for our seniors!

Saver's Thrift Store Donations

There's still time to drop off your gently used items for the Saver's Thrift Store fundraiser. The delivery date was postponed due to Covid-19, so you can continue to set aside your gently used clothing and household items to be donated. All items can be dropped off at 6167 16th St S (just set them on the front porch anytime) through September 11th.

There are so many benefits:

- **Declutter your home!** It feels great to clear out unwanted stuff! Most of us have TOO much stuff!
- **Prizes for the Senior Party!** The Senior Party committee receives money for collecting and delivering the donations. That money is used to buy gift cards for prizes.
- **Helping our community!** Many people in our community appreciate the great inventory and the affordable shopping that Savers has to offer.
- **Save the Planet!** It is unbelievable how many tons of unwanted stuff goes to the landfill every year. Recycle and re-use! Let's take care of our planet for generations to come! We are celebrating the 50th anniversary of earth day!

Examples of items include: clothing, shoes, accessories, coats, hats, mittens, blankets, sheets, towels, toys, games, dishes, electrical items, knick-knacks, housewares, sporting goods, blankets, pillows, curtains, tablecloths, scarves, ties, socks, purses, wallets, backpacks, etc. (Savers cannot accept mattresses, baby gear, appliances, large furniture, auto parts, building materials, cleaning products, tires, etc.)

Thank you for supporting the Senior Party!
