

COVID Voluntary Parent Forms

Fargo Public Schools is providing parents and guardians with a process to attach COVID-related paperwork to your student's PowerSchool account. The first form allows a parent [to grant consent for the school to administer a COVID test](#) to their child if the child is deemed a close contact. The test will be at school and administered by trained FPS staff (Nurse, Medic or Athletic Trainer). The second form a parent or guardian may provide is the COVID vaccination card. The vaccination card will only be used to verify your child's vaccination status if your child is deemed a close contact at school. It will allow the student to remain in school if they have no symptoms. *Note: On-site testing is in development and will begin when the qualified staff has been hired.*

There are two new release forms parents/guardians can complete in PowerSchool. Both are voluntary.

“COVID Test Consent Form” - To grant permission to the school to give your child a COVID test.

“COVID Voluntary Vaccine Status Reporting Form” - To provide a copy of your child’s completed COVID vaccination form, for use in determining quarantine rules if your child is identified as a close contact.

Both forms are available in PowerSchool Parent, where other required forms are completed each summer.

- 1) From the [Fargo Public Schools website](#), click the PowerSchool icon.
