

2021-22 School Year Information

2/28/22

Dear Fargo Public Schools Community,

On Friday, February 25, the Centers of Disease Control issued an update on its masking requirements. As of Friday, masks are no longer required on buses or vans operated by public or private school systems, including early care and education/childcare programs. **Therefore, effective immediately, masks are no longer required to be worn on school and activity buses for Fargo Public Schools.**

Sincerely,
Dr. Rupak Gandhi, Superintendent
Fargo Public Schools
