

# COVID-19 Testing Sites

There has been a change to location and hours of operations for Fargo Public Schools' COVID-19 testing site. Due to staffing limitations, the testing site formerly operating at North High School has been closed. The testing site at South High School is now the lone testing site.

The new hours of operation for the South testing site are 8 a.m. to 2 p.m. on Monday, Wednesday, and Friday; and 8 a.m. to 4:30 p.m. on Tuesday and Thursday.

Fargo Public Schools offers COVID-19 testing to its staff and students using the BinaxNOW rapid test. In order to participate in the testing program, parents must fill out the [testing consent form](#) for their child in PowerSchool or a test will not be administered. Testing takes place at South High School. Please see below for more information.

Testing registration must be completed prior to tests being administered.
