2022 National Merit Scholarship Semifinalists

Fargo Public Schools is pleased to announce that nine students have been named *2022 National Merit Scholarship Program Semifinalists*. They were chosen out of more than 1.5 million juniors across the country who took the Preliminary SAT/National Merit Scholarships Qualifying Test. They are now among 16,000 other semifinalists who have an opportunity to compete for more than \$30 million in scholarships next spring.

To become a finalist, students must submit an application providing information on their academic record, participation in activities, demonstrated leadership abilities, employment, honors, and awards. Winners will be announced between April and July 2022.
