

P-EBT Benefits

You may be eligible to receive P-EBT benefits for your school-aged child(ren) this summer. Children who received free or reduced-price lunch through the National School Lunch Program and were attending school at the end of the 2022-23 school year are eligible. If your children are not currently eligible but might be eligible for the 2023-24 school year, you are encouraged to complete the P-EBT application and submit a Free/Reduced-Price application by August 25, 2023.

This year parents/guardians must complete an application to receive Summer P-EBT. The application can be completed online at <https://ndsummerebt.nd.gov/>. If you are unable complete the application online, you can receive a paper application by sending an email to snap-pebt@nd.gov or downloading it from this [website](#). For more information regarding Summer P-EBT, email snap-pebt@nd.gov or call 701-328-2732.
