Good Morning Discovery School. Please Stay Tuned for the Announcements.

My name is ___ and ___ from the ___ Team

Today's date is Friday, May 20th, and it is a "C" day.

Lunch for Today is Taquitos/Burritos or Smucker's Uncrustable PB&J. Also included in today's lunch are Shredded Romaine Lettuce, Fiesta Taco Black Beans, Baby Carrots Pack, Gala Apple and Mandaring Oranges in Juice.

Discovery Administration would like to remind all students that the soccer field on the east side of the building and outdoor basketball court on the south end of the building are off-limits in the morning. We do not have supervision available for those areas, therefore students need to either report to the cafeteria, gym, or stay in outside in the front of the building.

Attention 7th grade boys. If you are interested in playing football for Discovery next year, please go to your email and fill out the survey that Lesley Meyer sent you. This survey needs to be filled out as soon as possible, because you will be turning in your devices next week on Monday. Again, if you are a 7th grade boy who is interested in playing football for Discovery next year, please go to your email and fill out the survey that was sent to you as soon as possible. Coaches will be sending out football information to the students who fill out the survey toward the end of summer before the season starts.

Are you interested in meeting new people? Do you enjoy running outside of PE class? If so, we have a sport for YOU! Cross Country is a great way to challenge yourself and meet lifelong friends. If you are a 6th, 7th, or 8th grade boy or girl, there is an informational meeting on Tuesday, May 24th at 3:25pm in the 220 team center. Mr. Edwards, Mr. Napton, and Mr. Watkin will be there to answer any questions you may have. The meeting will be less than 5 minutes so you will be able to catch your bus. If you can't attend the meeting, please stop by Mr. Edwards' room and pick up the information any time.

Boys Track and field distance runners please check your email.

Attention all Discovery Students and Staff: The Astros team will be hosting “Sad Christmas” on Tuesday, May 24th. Our very own Marie Hanson used the metaphor of a “Sad Christmas” to describe her recent diagnosis of Hodgkin’s Lymphoma. In honor of Marie, we are asking that anyone who wants to participate, bring \$1 to wear your favorite Christmas or holiday attire on Tuesday, May 24th. The Astros team center will have Christmas-themed activities including music, decorations, and a photo booth. Stop by in the morning to drop off your dollar or anytime during the day to get your photo taken. All of the proceeds gathered will go directly to the Hanson family. We will also be sending Marie the green screen photos. Let’s show our support for the Hansons. One Team. One Family. One Fight.

All library books and magazines are due today. If you have lost a borrowed item, please see a member of the library staff to arrange payment.

PLD Turn-In will take place Tuesday and Wednesday next week. There are a few things you need to do to prepare for PLD Turn-In:

1. Wash and dry your carrying case.

1. Clean your PLD with a damp cloth. Do NOT spray anything on your PLD.

Loss or damage costs are as follows:

PLD Replacement - \$254
PLD Damage - \$20
Power Cord - \$10
Carrying Case - \$10
