

Hello Discovery Middle School Parents, Guardians and Families:

If you have not already done so, please go to your Parent PowerSchool Account and review, update, and complete your child's/ren's annual student information which is ***the yearly critical registration process to let us know that your child(ren) will be a student at Discovery for the 2023-24 school year.***

To do so, parents/guardians of all Fargo Public Schools students must review, update, make lunch account and annual fee payments, and complete their children's annual student information forms **ONLINE**. Access to these online forms and fee payment is done through the Fargo Public Schools [PowerSchool Parent](#) site. Each Fargo Public Schools family should have ONE PowerSchool account with all the household's student(s) attached, and then update information through that PowerSchool Parent account each school year thereafter.
