Happy Birthday Porter Durand, Tyler Heidenreich and Kendall Johnson!

There will be a boy's cross-country meeting in Mr. Hollands room right after school today. We will discuss summer running opportunities and some new mileage clubs.

Art Club will have an officer meeting afterschool today. We will plan and organize Chalk Fest and Davies Day details. The photo wall is finished but we could use help making the sign.

SOAPS will perform this week! SOAPS are student directed, written, and produced one-act plays. Four different shows will perform tonight and Friday. Tickets can be purchased at the door. \$5 for one night or \$7 for both nights. Come support the students performing at 7:30 P.M.

Are your registered for College Algebra & Trig class next school year? Do you want to potentially take that for Dual Credit? Did you take the Accuplacer test already but need another chance to pass? Well if either of these apply to you, please stop down and sign up on the clip board in the Counseling Office. The test is on Monday, May 20 at 8:00 A.M. in H101. This is the final time the Accuplacer Test will be administered here at Davies. Students need to arrive shortly before 8:00 A.M. on Monday with a fully charged PLD and NO Calculator. If you have questions, see Mr. Cody.

AP/Dual Credit Science classes can pick up their Summer Assignments in the Science Office (A109) from May 20-May 24.

Students taking Honors English next year, please attend a meeting in B117 either on Tuesday, May 21 at 7:30 A.M. or Thursday, May 23 at 3:45 P.M. If you can't make either of these meetings, please stop by and speak with Ms. Seelig.

Seniors, please add to your list:

Mrs. Bronaugh in the Math Department will read names at graduation. Please stop by the math department and visit with her about how your name should be pronounced.

There are a few colleges that do not accept “etranscripts”. Let Mrs. Sabby in the Counseling Office know if you need a final transcript mailed to one of those colleges. Doing it now will save you from panicking in August.

If you are accepted at a college and plan to attend, they will need a final transcript. From your Power School account request a final transcript by selecting “send after graduation”. Do this now so the college has it.
