

**Fargo Davies Daily Announcements for  
January 29, 2024**

- If you are interested in bringing change to our school, consider joining tutoring club! We tutor, volunteer (counts towards NDAHS hours), and inform students of opportunities in and beyond the classroom. One of our biggest projects is currently organizing a TEDx youth event, here at Davies. If this sounds interesting to you, consider becoming part of our tutoring team!

- The Level 4 language classes are completing their capstone projects. Each group is dedicated to one of the United Nations' Sustainable Development Goals. Help this group with an environmental focus by donating t-shirts old or new to be turned into reusable bags! 2 shirts count as 1 sponsored NHS hour, and 4 shirts are 2 hours. Any additional questions you have regarding this event, should be directed to Megan Drummond.
- There will be an FCCLA meeting on Friday, February 2 at 8:00 in the FACS department
- There will be an informational meeting for anyone interested in doing **Track & Field** this spring. The meeting will be in H101 at 4pm on Wednesday, February 7th. If you are unable to attend, please reach out to Coach Beil.
- There will be an informational meeting for anyone interested in playing Davies **Baseball** this spring. Players and parents/guardians should attend. The meeting will take place January 29, at 7:30 in H101. If you are unable to attend this meeting, please contact coach Anderson.
- On February 3rd from 2-4pm, and March 10th from 4-6pm, the Sheyenne Prom Shop will be in the West Fargo Sheyenne High School Commons. This is an event where we display prom attire (dresses, suits, any shoes we may have, etc) for students to shop from. All items have been donated to us and are FREE for students. They do not need to bring it back, it can be theirs to keep (we do ask that they keep us in mind if they wish to get rid of the dress or suit).
- The University of North Dakota, College of Education & Human Development has planned "SEA OTRR Day" for February 27, 2024. "SEA OTRR" stands for See Education in Action. This day has been designed specifically for sophomores, juniors and seniors who are interested in becoming educators. This short video highlights [SEA OTRR 2023](#). ### TO OUR DAVIES STUDENTS

As proud members of the Davies High School Community, it's essential for us to be mindful of the impact we have on our surroundings, especially when it comes to driving safely in and around our school.

Recently, we've received reports from our neighbors about instances of erratic and unsafe driving by some of our students. It's important to recognize that Davies High School is not just an educational institution; it's an integral part of a larger community that includes young children, pedestrians, and individuals of all ages.

Your safety and the safety of those around you are of utmost importance to us. With this in mind, we urge you to consider the following points:

Respect Speed Limits: Please adhere to posted speed limits both within the school premises and in the surrounding neighborhood. Speed limits are in place to ensure the safety of everyone.

Mindful Driving: Be aware of your surroundings and practice defensive driving. Look out for pedestrians, especially young children who may be crossing the streets.

Avoid Distractions: Distracted driving is a significant hazard. Keep your focus on the road and avoid distractions such as texting, adjusting music, or engaging in other activities while driving.

Follow Traffic Rules: Stop at stop signs, yield when necessary, and obey traffic signals. Traffic rules are in place to create a safe and organized flow of vehicles.

Respectful Parking: When parking on school grounds or in the neighborhood, be considerate of others. Park in designated areas and avoid blocking driveways or impeding traffic flow.

**DRIVE SAFELY, BE COURTEOUS, AND LET'S MAKE DAVIES HIGH PROUD!**

**Work hard, be yourself, and do the right thing.**
