Announcements:

Juniors and Seniors: Prom is April 24th! You must have your detentions served prior to purchasing prom tickets. Saturday detention is April 17th, from 9am – 5 pm (8 hrs.) and allow you to serve double detention hours. Make sure to get those detentions served so you can enjoy prom this year!

New junior Honor Society members: This is a reminder that we are having our rehearsal for the induction ceremony Wednesday morning at 8:00 a.m. in the theater. Please be sure to attend.

Reminder to 10-12th graders that TODAY is the day for students to help us move books in the library. If you signed up, arrive at the start of your open period to earn your service hour or to wipe out two detentions.

Sophomores: Pre-ACT Score Interpretations will take place this Thursday in room C42 and Friday in room C30. You have been assigned to a session based on your last name. You will need to bring your PLD with you. Please check your email for a message from Adrienne Eider or see posters in the English hallway for information about your assigned day and time.
