Are you interested in taking some Hands-On classes next year? If so, this week Friday during one of your open periods you are welcome to stop down to the Vocational Wing located in the Southeast corner of the school. You will have a chance to walk through each of the Voc. Ed. Classes and see what they have to offer. The classes include Engineering, Photo/Video, Woods, Construction, Manufacturing, and Automotive. Some of the classes will have hands-on activities for you to participate in. If you visit 4 of the areas you can earn yourself a Hot Dog, Chips, and a POP over the lunch run on Friday. We hope to see you there!

Any student that has paid to go on the Spirit Mountain ski and snowboard trip this Saturday should check their gmail for information and waivers to fill out. The bus loads at 5:45 am Saturday morning in the north parking lot of Fargo South. Don't be late. If you have questions, please talk to Mr. Taragos sooner than later.
