### **Remodeling**

We received some exciting news that we will be going through a remodel that would establish a new entrance. They will be enclosing the space between the gym foyer and Mrs. Remark's room. This will allow us to have the office, work room, conference room and teacher's lounge all in this area.

I don't know the exact timeline but will share more details as I receive them. Since I came to Longfellow I have been asking for a more secure entrance and I'm extremely happy to see this project moving forward.

### **Upcoming Dates**

May 6-10 is National Teacher Appreciation Week. On Thursday, May 9 I will be providing staff members an extra-long lunch. In order to make this happen I need some volunteers. The volunteers would be either in the gym with me helping out with bingo, or outside helping supervise the children. Volunteers would arrive around 11am and be done at 1pm.

Also, on Friday, May 24 we will have our annual Field Day. I will need a lot of volunteers for this event. If you have any vacation days to use at work this is a day I would highly encourage you to take the day off and come join us. The children rotate around to 18 different stations throughout the day and it is lots of fun. I will be needing volunteers for three different shifts: 8:30 – 11am, 1-3pm or all day.

If you are interested in volunteering for either or both of these activities please let me know.

### **Enrichment Summer School**

The Fargo Public Schools Elementary Enrichment program offers a wide variety of classes for children who have completed grades 2-5. The summer enrichment courses are intended to strengthen students' self-esteem, learn new abilities, and encourage lifelong learning through creative and enriching activities. You can register online for courses by clicking the following link:

## **Transitions Summer School**

**\*\*This program will not be offered at Longfellow this year. Your child can attend any other building except Lincoln.**

Transitions Summer School is a teacher referred program. It is designed to provide additional support for students, in the area of math and/or reading, who are in need of extra instruction for them to be successful for the upcoming school year. Registration forms are due by April 15th. Parents will receive a confirmation letter from the Transitions office by June 10th, informing you of your child's placement.

**DATES: July 8th-26th (Monday-Friday)**

**TIMES: 8:00 AM -12:00 PM**

**WHERE: Elementary Buildings**

**Attendance Policy: Students enrolled in the "Transitions" Summer School Program are expected to be in attendance a minimum of 13 days of the 15 class days scheduled. Students who are absent are expected to make up the work they missed during their absence.**

Please contact Rebecca Folden, Summer School Director, at 446-4404 with any questions.
