August 24, 2021

Dear Parents:

Welcome to the 2021-2022 school year. Our rural buses will begin transportation on Wednesday, Aug. 25, 2021.

Transportation services will be provided by Valley Bus Company. The rural route listings are enclosed.

The routes and system are similar as in previous years, however, with the COVID-19 pandemic now upon us, there are some differences. Children must wear masks aboard the school bus. This is a federal DOT mandate.

Route times have been adjusted to arrive at schools closer to bell times. Bell times have changed at all elementary middle and high schools

Regulations regarding student behavior on the buses can be found at:
<https://www.fargo.k12.nd.us/Page/198>. Please review with your student rider.

These regulations are necessary for the safety of all our passengers. Riding a bus is a privilege that can be revoked by the building principal for inappropriate behavior.

If you are a first time rural bus family, or if you have questions regarding routes, times, etc., please call 446-1016 or Valley Bus Company at 235-5912.

Sincerely,

Chris Pinkney
