All times are, of course, subject to change. Times with a \* by them indicate those most likely to be changed. Updated schedules and other information will be available via hardcopy, email and text.

Please attend all 3 training sessions in order to be eligible to work concerts as well as the occasional outside rental event.

Eye and ear protection is provided and will be worn when appropriate. Personal equipment is welcome but must be approved by the Tech Director. Closed toe shoes must be worn at all times.
