

Policy Type: Board/Superintendent Relationship

Accountability of the Superintendent

The Superintendent is the Board's only link to the operational organization. All authority over and accountability of staff is considered to be the responsibility of the Superintendent.

Accordingly:

1. The Board will never give instructions to persons who report directly or indirectly to the Superintendent except with his/her complicity during a Board meeting or a Board committee meeting.
2. The Board will not formally evaluate any staff member other than the Superintendent

Monitoring Method: Board self-assessment
Monitoring Frequency: Annually in Third Quarter
