On Wednesday, October 3, South High School freshmen will participate in a Respect Retreat. The retreat will provide support as the newest Bruins transition from middle school to high school. Youth Frontiers, a non-profit organization, will conduct and lead the freshmen in engaging activities that focus on creating a positive school community, and enhance self-confidence, empathy, and connectedness. In addition, the junior/senior Bruin student ambassadors will assist Youth Frontiers throughout the retreat.

During the retreat, students will build class unity and comradery, cultivate the attributes of Bruin CLASS (Character, Leadership, Attitude, Scholarship, and Service), and enhance school spirit. Fargo South staff believes that to do well in school, students need to feel physically and emotionally safe, and to think critically about the impact of their choices.

More information about Youth Frontiers can be found online at www.youthfrontiers.org.
