On Wednesday, October 3, staff, students, Student Resource Officer Ryan Dietrich (Carl Ben Eielson Middle School), and Fargo Police Officers will gather to celebrate the seventh annual National Coffee with a Cop Day at Lincoln Elementary School.

During breakfast, the Lincoln Elementary School Wellness Committee is providing free coffee to all staff and guests, including Officer Dietrich and fellow Fargo Police Officers. There will be an area in the cafeteria where attendees can take photos with coffeeshop inspired props. This meet-and-greet event gives staff and students the opportunity to interact with police officers and thank them for their service.

Coffee with a Cop was launched in California in 2011 when two officers from the Hawthorne Police Department were looking for ways to interact with the community. Read more about the program on their [website](#).
