

**FOR IMMEDIATE RELEASE**

**MEDIA ADVISORY** – Wednesday, November 14, 2018

**Fargo Public School District #1**

## **ELEMENTARY STUDENTS LEARN BASICS OF RECYCLING**

Good habits when started young can have a huge impact over a lifetime. Time to learn to reduce, reuse, and recycle!

**WHAT:** America Recycles Day Recycling Presentation  
**WHEN:** **Friday, November 16, 2018 at 9:00 to 10:00 a.m.**  
**WHERE:** Grade 3 Pod at Jefferson Elementary, 1701 South 4<sup>th</sup> Avenue, Fargo  
**CONTACT:** **Laura Sokolofsky**, School Counselor, 701.446.4710 or [sokolol@fargo.k12.nd.us](mailto:sokolol@fargo.k12.nd.us) for more information.

On Friday, November 16, third graders from Jefferson Elementary School will learn the basics of recycling and the recycling programs available to Fargo households through presentation stations. The presentations will be given by Jennifer Pickett from the City of Fargo Solid Waste Department, and Mary Aldrich from MinnKota Recycling.

Students will spend time at each station learning about reducing, reusing and recycling with a hands-on activity at each station. Presentations will last approximately 20 minutes each. Students will each receive a reusable cloth bag at the end of the presentation.
