On Wednesday, May 8, Longfellow Elementary School is hosting the second annual Battle of the Elementary Schools for staff members. This event is taking place during Teacher Appreciation Week as a way to show appreciation toward all staff, certified and non-certified.

Each Fargo Public Schools elementary school has a team of ten players. Through a bracket-style tournament, each team will compete in a series of Minute-to-Win-It games with mental challenges – however, only the organizers know the exact challenges, which they keep top secret until the day of the event. The teams are competing for a trophy, and other prizes.
