On Wednesday, May 15, the entire student body at Bennett Elementary School is gathering to celebrate reaching their outside reading goal with a Beach Party.

This school year, students made a goal to read 1,500,000 minutes outside of the school day. They surpassed that goal and currently sit at 1,787,552 minutes, with final numbers coming in a day before the celebration. Students will receive bubbles and a popsicle and are invited to bring a beach towel to sit on. Principal Sarah Schafer will be sitting 'poolside' during the festivities to watch over the student body. The celebration will take place on the front lawn of the school.
