Eagles Elementary School will hold their second annual “color run” on Tuesday, May 21. The Family Color Fun Run will travel around the field behind the Eagles Elementary building, and is approximately one mile in length. The kindergarten through fifth grade Eagles students have invited family members to wear a white t-shirt and to participate in the run/walk with them. A color run is a running event where the participants run through clouds of brightly colored pigment, which coats their clothing and skin in vibrant hues. The Davies High School Girls Soccer team will toss the rainbow colored pigments for the runners to run/walk through as they proceed around the course.

Funds raised through race participation fees (\$5 in advance or \$7 at the time of the race) will be used to fund staff projects.
