Bennett Elementary School has rescheduled their third annual “Family Fun Color Run” for Wednesday, May 29. The Family Fun Color Run will travel around the field behind the Bennett Elementary building, and is approximately one mile in length. Kindergarten through fifth grade Bennett students have invited family members to wear a white t-shirt and participate in the run/walk with them. A color run is a running event where the participants run through clouds of brightly colored pigment, which coats their clothing and skin in vibrant hues. The Davies High School Girls Soccer team will toss the rainbow colored pigments for the runners to run/walk through as they proceed around the course.

Funds raised through race participation fees (\$5 in advance or \$7 at the time of the race) will help to finance the Bennett Elementary fifth grade ski trip next winter.
